Dedication

with fond affection
and grateful appreciation
we honour a gracious lady
who for two decades has
shared her unique qualities
with a long and privileged
stream of Stanstead students
- MRS. SYBIL GALAMBOS

Born in Winnipeg, Mrs. G. (as she is affectionately known to her students) became a world traveller during her life. She has lived in Canada, the West Indies, France and Hungary. At fifteen she entered University in Manitoba majoring in Latin and History, then went to Paris for two years. From there she moved to Hungary where she was married and stayed for seven years.

At the outbreak of war Mrs. G. returned to Canada with her young son staying briefly in Ottawa before moving to Victoria, B.C. where she lived with her mother. Then again returned to Ottawa where she still has her home.

Before her career at Stanstead began she taught at the Trafalgar School for Girls in Montreal. At this time her son was attending Bishop's University in Lennoxville. From what he told his mother Stanstead was within walking distance of the University. She felt that by teaching here she could at the same time keep a watchful eye on him, so she signed a contract. However, she soon realized that Bishop's and Stanstead were further apart than she had been led to believe. But that was twenty one years ago, and stay she did.

Even those who have only been at Stanstead for a year will notice an empty place when she leaves. The table in the dining hall where she sat for so many countless meals will indeed seem empty. And, although most may never see her again, she will always live in the memories of her students.

Chairman Retires

After eleven years Mr. Eric T. Webster announced his retirement as chairman of the Board of Trustees at the Annual Meeting last October. A son of the late Senator Lorne C. Webster he has served on the Board since 1947. As a member of that Board Mr. Webster continues an association with the College which his father before him had for many years. Stanstead is indebted to a gentlemen who has given so much of himself and who has always shown such a keen interest in College affairs.

... from the Headmaster

At the beginning of March it seems all too soon to be writing a 'message' to those of you who will be looking at the Spectrum as a record of the year.

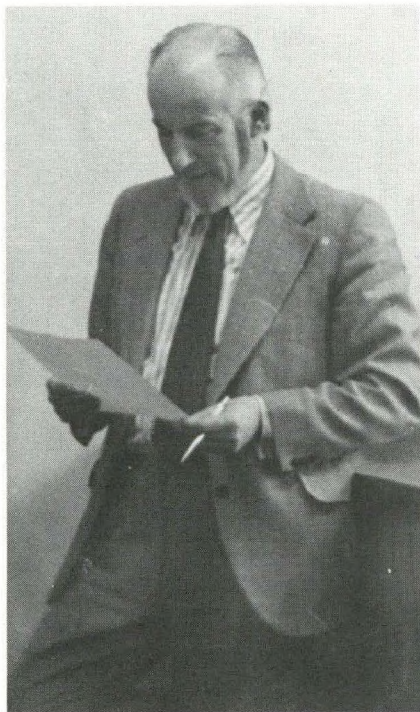

I can say in all honesty that I feel this year has gone well. There would seem to be a better spirit in the School, a positive attitude, a noticeable openness on the part of the student body. There have been some changes for the good. In my opinion the more involved prefect system has removed some of the fears students had they were being watched all the time by 'big-brother'. The freedom to take a weekend, with permission, has made it possible for students to plan an 'at home' break as they wish, rather than be forced to take the weekend leave at a fixed time. An ever-widening of the sports programme has made it possible for boys to choose from a very varied offering of team and individual sports activities. Of course, there were the usual winter blues during January and February; but now we have turned the corner of our School Year and it is all downhill with longer and brighter days ahead.

Each year there is always something that sticks in my mind. A month or so ago I was telling a student off for doing this or that and I guess I was rather pouring on the 'tongue-lashing'. He stood there, tears rolling down his cheeks, checked his swallow for a moment, gulped and blurted out, "Sir, you have no idea how difficult it is being a teenager these days!" My first reaction was to snort back. . . "That's no excuse", but his remark shut me up for a minute or two. I told him that it was a poor excuse, yet what he was saying made sense. It is indeed tough to be a teenager in 1976.

Nevertheless, tough problems are conquered by a strong will and it is only the weak who get 'sucked-in' by others whose morals and ethics are questionable... and, "I didn't mean to do it", is a very poor excuse.

Here I go again... giving a sermon and "I didn't mean to do it."

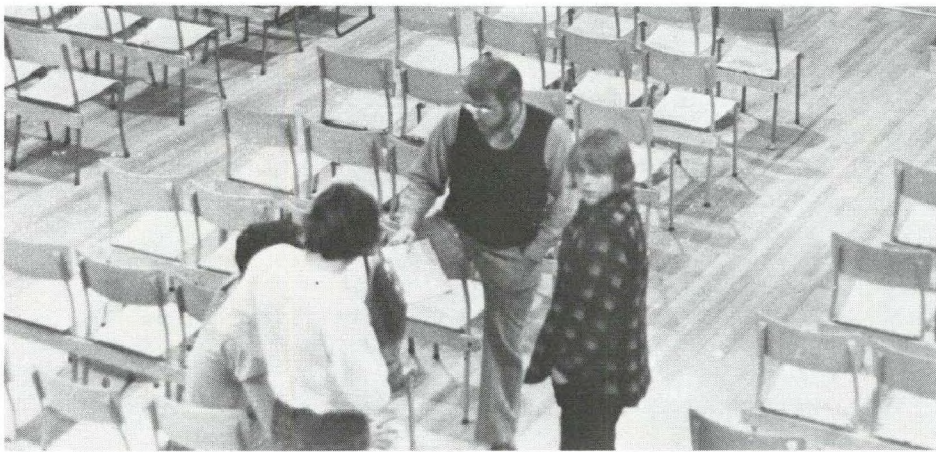

To those of you who are graduating from Stanstead at the end of this year I say... good luck, good health and may God bless you.

Sincerely,

(Headmaster)

John C. Colby Memorial Library

1975-76 has been the year of Research at the Stanstead College Library; MRS. GETTY, MRS. PHILIP, MRS. CHEN, and MRS. DUNCAN, the Library staff members, have found that students at all grade levels are facing more individual study projects and are using our materials far more extensively than in previous years. Students who assisted throughout the year in a very helpful way were Frank Ghany and Norman Perrier.

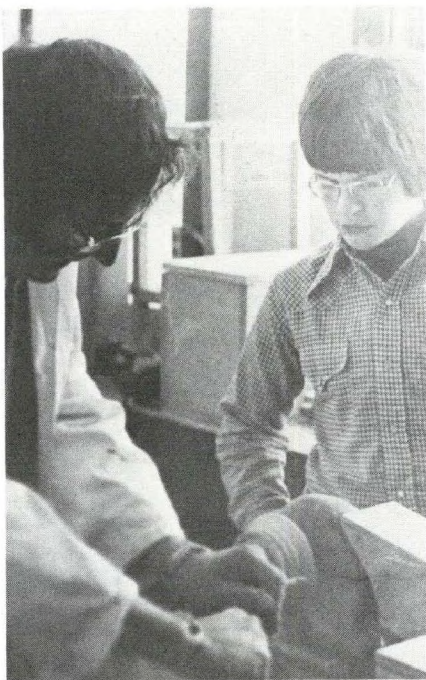

Although the long mail strike in the early part of the year nearly paralyzed activities in the periodical section of the Library, this area has proved to be the most popular, as there has always been a daily rush to read the newspapers and magazines.

Colby House

We have boys of all shapes and sizes who come from many varied backgrounds. It is more interesting to monitor each boy's progress as he not only improves in academic fields, but also winds his way through the social paths of growing up.

It has been a great pleasure to work with the Lower School Committee (a group of elected students) in keeping the house running smoothly.

Although it is hard to work with individuals and the masses at the same time, we manage. Thanks to the conscientious efforts of the Lower School Staff and M.O.D.s we have had the best year yet.

P. Ashworth,
Director of Lower School

Davis House

The house made a very good start back in September - nobody will deny that.' The spirit and the atmosphere were very good. The winter always bring its share of problems and Davis House was no exception. There were no particular villains, but we had our "veges" and our malcontents, not to mention our "Burrheads" and our "Jethros". We had our usual basement crowd - the smokers and the pool-

sharks, the T.V. watchers, and, for a while our ping-pong stars. We even had some scholars!

As the days get longer and brighter, so must our hopes. Good luck and good fortune to all of Davis House.

Bill Walker,
Housemaster.

Noodles!! The cry is taken up by Noodles Normie and carried rapidly to the bleak basement depths where smokers are enticed from their polluted den. Bleary-eyed media addicts reluctantly leave Kojack to his reflections. The third floor agonizes over the decision to risk a quarter on Mr. Martin's stairs or arrive too late for the first batch of Mrs. Chen's survival rations.

Christmas carolling, woefully off key in the sub-zero temperatures; Mrs. Martin's homemade chocolate cakes decimated in seconds after weeks of careful bed making and sweeping; endless pool games hustling hopeless house masters; long hours on the basement telephone conjuring up more attractive surroundings than room mates sweaty hockey pads. These and many other seemingly unimportant trivia will undoubtedly come to mind in later years when remembering time spent learning to share and contribute to a social community.

Richard Chen,
Housemaster .

Getting Ready!

This school year started out on a new, entirely different note. Along with the drastic changes in the school dress code came a change in the prefect system. Our numbers were greatly decreased and the whole image of the prefect has changed. Rather than be a policeman, the prefect was to set an example for others to follow.

The new system was designed to reduce friction between the students and the prefects. We've seen an improvement, but there are still things to be corrected. Hopefully we will learn from experience and have yet a better system in the future.

The Head Boy

Dear Grads etc,

Looking back over five years at Stanstead, I realize I've seen a great number of changes: new buildings, new rules, new staff. One thing that hasn't changed however is the students. We will always want more of one thing and less of another. It is the ability to cope with the unchanging student, rather than its competition with racy progress, that has allowed Stanstead College to endure for over a century. In my eyes, the school will always be around.

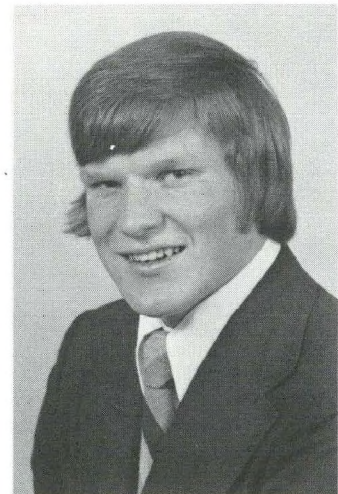

As a student, I have very often felt oppressed and frustrated by the system. I learned though, that we must compromise; we must give to receive.

Good Luck!
Steve D.

Senior

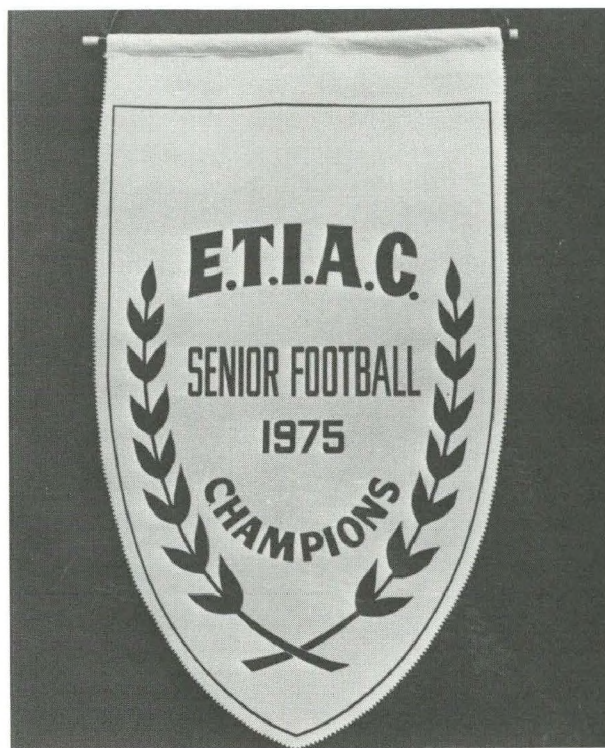

Football

With the return of students in the Fall came football. The 1975 edition of the Spartans seemed small, both in size and number, with only five returning veterans. After only two weeks of practice, we were hardly ready to take on the Old Boys. They beat us 12-0. For our next game we travelled to Ottawa to play Ashbury College and won 20-0.

Our first league game was against B.C.S. It was a nice day and both teams showed good offensive football, with 57 seconds left, B.C.S. scored to win, 28-21. With the Thanksgiving break ahead in our minds, we came up against A. G. R. H. S. It was rather close, with the Spartans winning 9-8.

The biggest day of the year for us came on October 18th. Down by 7 points in the two game total point, we travelled to the land of the Purple & White. This was by far our best game of the year. With less than 20 seconds left, we were ahead by 21-26, but still losing the series by two points. It was third and 14, when Steve Davies uncorked a 102 yards pass and ran play to Phil Charron. This clinched the Senator Howard Trophy and put a stranglehold on the E.T.I.A.C.

The following Saturday we travelled to Massey-Vanier. We shut them out 28-0 with a good performance on defense.

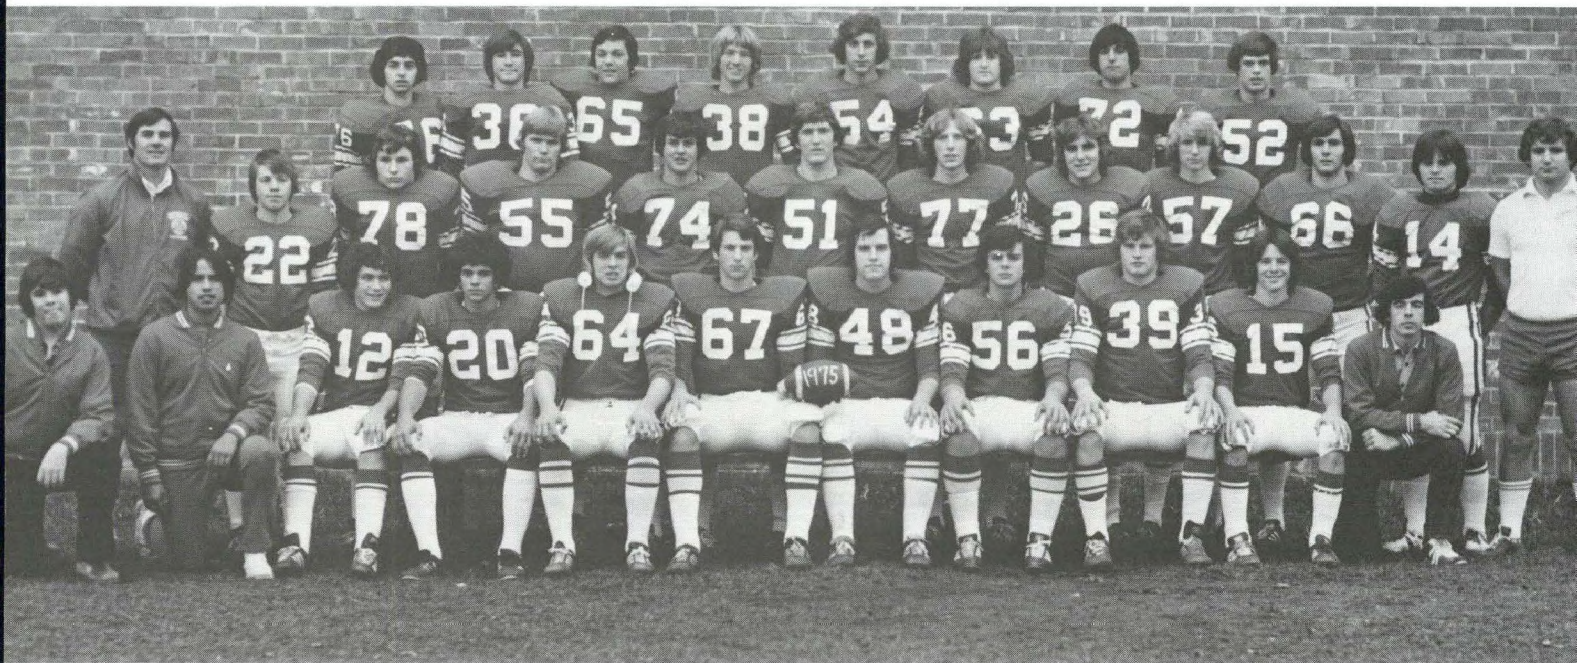

The following Wednesday we went to Galt. With their school attending, we came through with our second straight shut out, 14-0

On a cold Saturday, November 1st we came up against a very much tougher Massey-Vanier team. It was a good fight till the final gun, but we came up with a 17-7 victory. Jubilation reigned supreme, as we had won the E.T.I.A.C.

Much thanks are due to Mr. Philip and to Mr. Elliot, who handled the defense extremely well.

Cross-Country Running

This year the Cross-Country Team had a very busy schedule. There were seven dual Meets plus the Zone and Provincial Championships.

In the Dual Meets we ran against B.C.S. Richmond, North County, the Lake Region and Alexander Galt.

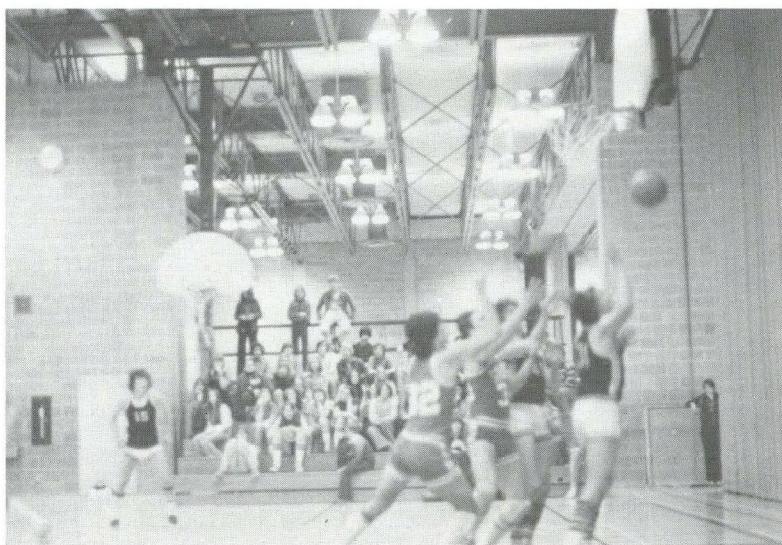

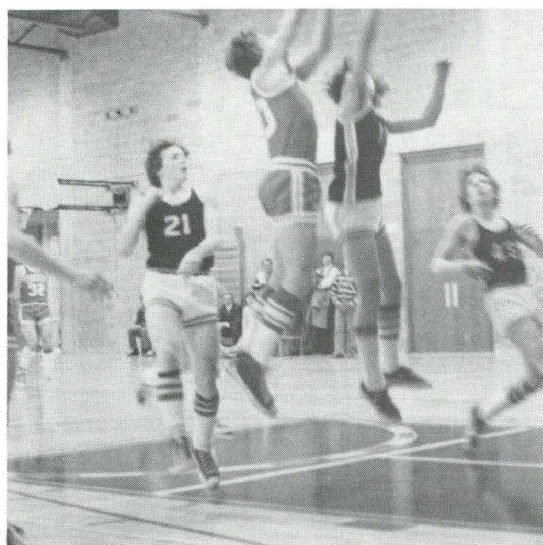

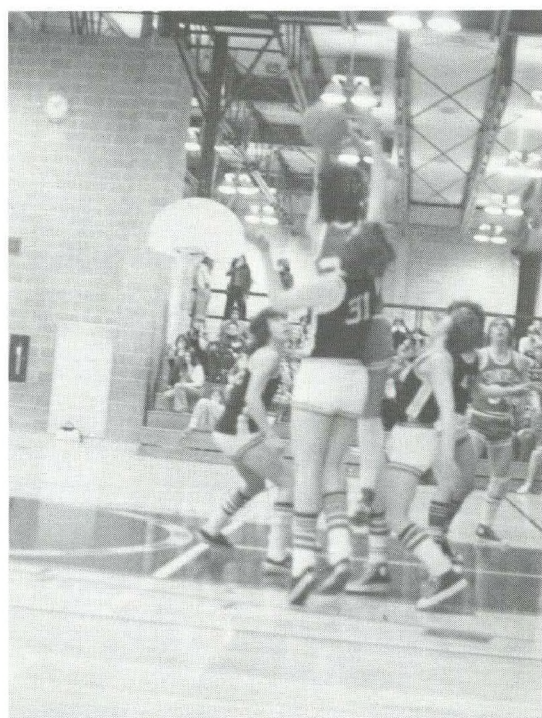

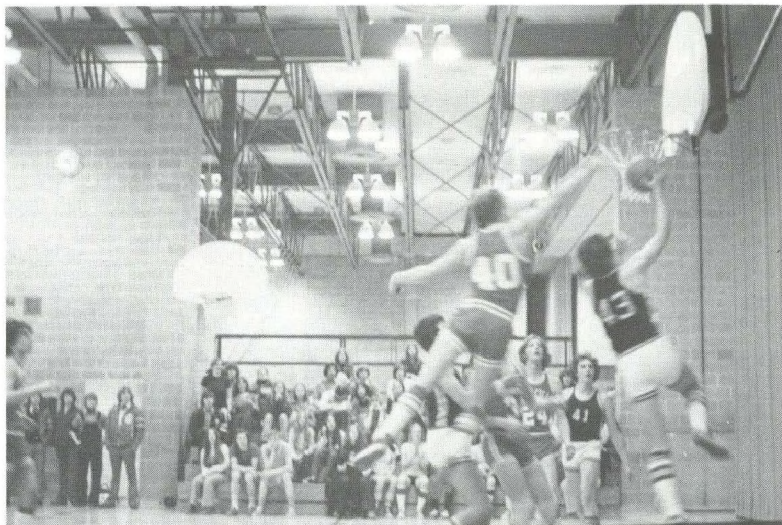

On Saturday, October 11th, the Eastern Townships' Meet was held at B.C.S. This would later qualify the first seven for the Zone Meet. Mike Bailey, Roger Casgrain and Steve Hiscock were able to qualify.

The Zone Meet was held at Galt on Saturday, October 18th. It consisted of teams from the Eastern Townships. B.C.S. Richmond, Galt and Stanstead comprised one team.

Mike Bailey qualified for the Provincials, which were held on Saturday, October 25th. He represented us in the Midget Class and finished 4th in the Zone. Roger Casgrain and Steve Hiscock finished 10th and 11 respectively. In order to qualify for the Provincial Championship we had to finish within the first 8.

In the Provincial Championship Mike Bailey finished 12th out of the 90 who ran. At the end of the race he required 24 stitches to close a gash on his ankle which he had received at the beginning of the race.

All in all the team had a very good season. Coach Peter Boyd very much encourage us and ran with us every day.

Varsity Basketball

FIRST ROW: Frank Roger, Jean Benoit, Tom McKay, Capt. George Baptist, Malcolm Graham, Gary Massad, Trevor Denney.
SECOND ROW: Mgr. William Roscoe, Wayne Sullivan, Peter Carpentieri, Stephen Scholes, Ken Norris, Peter Churchill, Coach Brian Denney, Mgr. Stuart Taylor.

The Spartan Basketball Team had a discouraging season this year. We finished with a record of 18-10, but we couldn't manage to pull off the important ones. Plagued by colds, sickness, and the mis-timing of holidays the season started with the attitude of being the team to beat. However it ended with a great try by everybody involved.

There were many highlights and many disappointments, like beating Seminar du Sherbrooke on their home court and losing a thriller in the Amaron Gym. Or losing in the finals of the Galt tournament where Peter Carpentieri and George Baptist were named All Stars with the latter receiving the

M.V.P. for the tournament. The Team really wanted to win the Visar, but we were discouraged and eliminated in the quarter finals by Centennial High School, which later went on to win the tournament.

The outlook for next year is pleasing according to Coach Denney. There are quite a few returning veterans and a few rookies who hold promise for next year. It could be a big season. Much thanks and credit go to Mr. Denney who put up with a great deal of disappointing and agonizing moments.

J.V. BASKETBALL

FIRST ROW: Jon Cornell, Steven Dizgun, Mike Herrick, Benoit Lacoste, Ross Buck.

SECOND ROW: Freddie Chaya, Maxime Chaya, Ronnie Tozzi, Doug Donaldson, Robbie Allan, Coach Art Burke.

FIRST ROW: Louis Patton, Roger Casgrain, Steve Davies, Andre Allard, Pierre Geoffroy, Dan Coffin.

SECOND ROW: Coach Peter Neve, Robert MacLeod, Louis Roy, Joe Vaitekunas, Steven Philip, Peter Jacobsen, John Nadeau, Steve Donahue.

Varsity Hockey

This year was certainly not one of Varsity Hockey's better seasons. If we were to measure the year on our win-loss record, then we did very poorly. The competition was strong in the League with little variety of teams, plus the fact that we were a young team. This put us in the cellar of the E.T.I.A.C. But the success of our team was in the fun all the members had despite our lopsided record. The "dirty dozen" (which is about what we had by the end of the season) stuck it through in good spirit. To survive a season like this year certainly demands a different brand of hockey players.

Highlight of the year was our victory against Alexander

Galt. It was the first time Stanstead has beaten Galt in hockey at the Senior level. It was a hard fought and well-deserved victory.

The team would like to thank Mr. Neve (Curly Pete) for all the time and effort he put into this year's team. It was his first attempt to coach the senior team and he certainly had his hard work cut out for him. Despite our record Mr. Neve did a fine job.

To the graduates of this year's team we wish the best of success in the future. If anything, we certainly learned how to lose!

 3RD ROW: Coach P. Ashworth, A. Coutts, G. Foulkes, S. Rodighiero, P. Cerigo, S. Elder, Mgr. I. Ferguson.

Cross - Country Skiing

The College Cross-Country Ski team, coached by Mr. Eveleigh and Mr. Duncan, got off to an early start this year with trail cutting and marking. The snow conditions were fairly good when there were no races and several trips were made to Wilvaken Ski Camp. When time for the races came the snow had either melted or was frozen.

Apart from time-trials every Monday, our first and only races were at Ashbury. Our team did surprisingly well the first race, but not so well the following day. Ian Goodfellow placed first in both races against tough competition.

Fourteen skiers went to the Marathon this year, and conditions were good. Ian Goodfellow covered the full 100 miles winning his "courrier de bois" award. Chris Spencer, Eric Steeves, John Mayo, Alton Deslandes, Jaime Shackell and Doug Norris completed 60 miles, while Mark Simpson and Scott Lothrop did 50 miles.

Ian Goodfellow won his Major "S" and the "Eric Ed" Memorial Trophy, both for the second time. John Mayo, Chris Spencer and Doug Norris won their Senior "S" while Mark Simpson and Scott Lothrop their Bantam "S".

FIRST ROW: Derek Forman, Alec Rutgers, Bruce Wild, Scott Lothrop, Mark Simpson, Richard Martin, Cliff Sanders, Blake Welbourn.

SECOND ROW: Lomond Graham, Mr. Duncan, Doug Norris, Marc Vaillancourt, John Mayo, John Carpentieri, Ian Goodfellow, Eric Steeves, Chris Spencer, Alton Deslandes, Nick Deliyannakis, Paul Wright, Mr. Eveleigh.

FIRST ROW: J. Senechal, C. Hodgson, M. Renaud, R. Rodighiero, A. Roy.

SECOND ROW: Coach B. Martin, D. Simard, P.K. Wong, P. Boisvert, R. Delisle, B. Harrison, A. Tozzi.

Squash Club

This year marked the first season of continuous, serious operation of a Squash Team at Stanstead. Juniors and Seniors were represented about equally and competition on the club ladder was keen. Team members played three times a week from December until March and at the end Blake Harrison occupied number one position. A pleasing second was achieved by Dan Simard, a novice in the sport at the beginning of the season. Top senior was Phillippe Boisvert.

Two inter-school competitions were entered, the first a tri-school meet with B.C.S. and Selwyn House at Stanstead; the second a meet with B.C.S. and White Mountain, again at the College. In their neophyte year, the team performed very well, winning several matches in both competitions.

Hard work throughout the year resulted in real progress being made and hopefully this will auger well for the future.

FIRST ROW: P. Berthiaume, A. Rizzuta, R. O'Donoghue, S. Rodighiero, G. Jones.

SECOND ROW: A. Deslandes, G. Sorensen, A. Tozzi, T. Rowan, M. Renaud, P. Charron, J. Nadeau, A. Brandt, M. Bailey, D. Caron, J. Carpentieri, K. Raiche, C. Cammalleri.

THIRD ROW: Coach D. Gomez, S. Hiscock, L. Angers, A. Chastaret, P. Churchill, G. Baptist, P. Jacobsen, R. MacLeod, S. Carden, S. Donahue, D. McEwen, Coach A. Philip, Coach P. Boyd.

Track & Field

The 1976 season was not blessed with weather conducive to good Track. For six weeks it was wet and windy. Our first large meet was excellent, but unfortunately Alexander Galt's was better, as they beat us by one point. One bright spot was Phil Charron's high aggregate performance in the Junior Class.

On May 15th the runners travelled to Galt to take part in the fourth annual Eastern Township Relays. Again we finished in second place to Galt, even though we didn't have

any girls.

The final meet of the year was the Y's Men's Meet at Galt. Again we finished second to Galt. Phil Charron paced the Midgets to the class aggregate. The only record by a Spartan was made by Pete Jacobsen who broke the Senior Shotput record. Stanstead as a team, for the third time, finished in second place to Galt.

The team expresses its thanks to Mr. Boyd, Mr. Philip and Mr. Gomez for coaching it to such a successful season.

A Tear Was Shed Today

(2nd Prize, Literary Contest)

A tear was shed today
for the fate of a world yet to mature.
It sprang from the stone age
Up to the present nuclear age.
Oh, we are still in our infancy.
When will we grow our first tooth?

At our youngest
Wars, killings, poverty, crime
Were hardly known.
Yet as we progressed
We regressed.
Oh, we are still in our infancy.
When will we grow our first tooth?

Cry! Cry!
Let it rain.
Be sorrowful.
We have a long way to go.
As a child learns
Not to touch fire
So will our world grow up
And learn from its past mistakes.
Oh, we are still in our infancy.
When will we grow our first tooth?

A tear was shed today
For the sake of a world yet to mature.
Cry! Cry!
Let it rain.
But wait!
A tooth is sprouting.

Grad Dance

This year the Graduation Dinner and Dance was held at the Montreal Amateur Athletic Association Club on May 22nd. It was a lovely day, and so were all the ladies who attended.

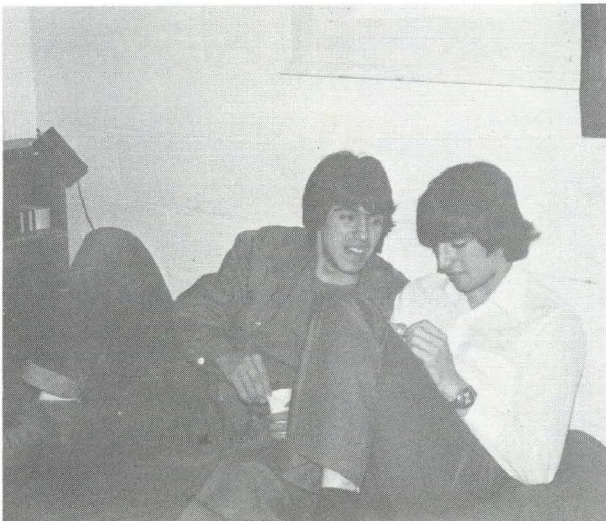

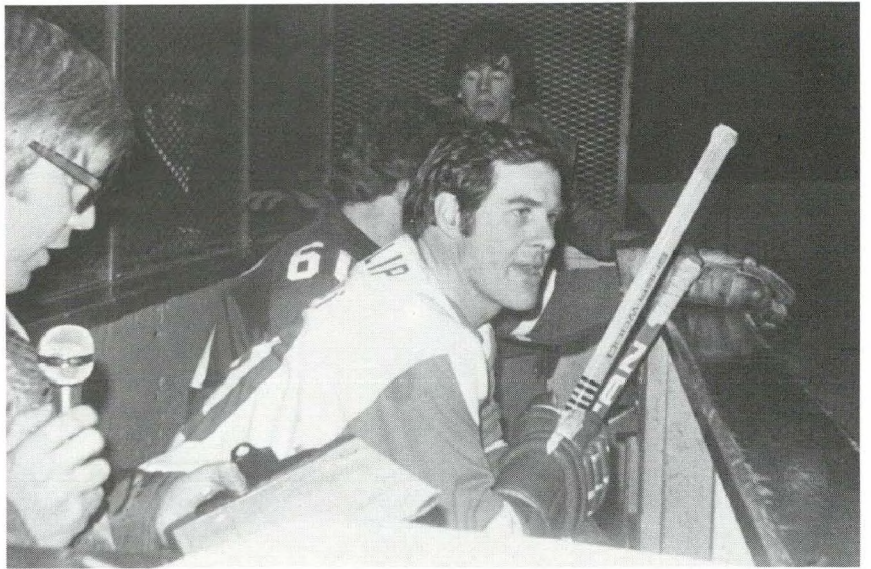

The night began with a reception before dinner including cocktails and music. We then enjoyed a gourmet buffet that ranged from exotic salads to spectacular glazed salmon with everything in abundance.

Dancing followed until about ten-thirty when the after-parties began. It was agreed that a good time was had by all. Many thanks are extended to our M.A.A.A. sponsor, Mr. Lablton, and to Mr. Russell without whose help the evening would not have been possible.

Also many thanks go to the members of the Staff who attended, and last but not least to Peter Churchill who put everything together from the students end.

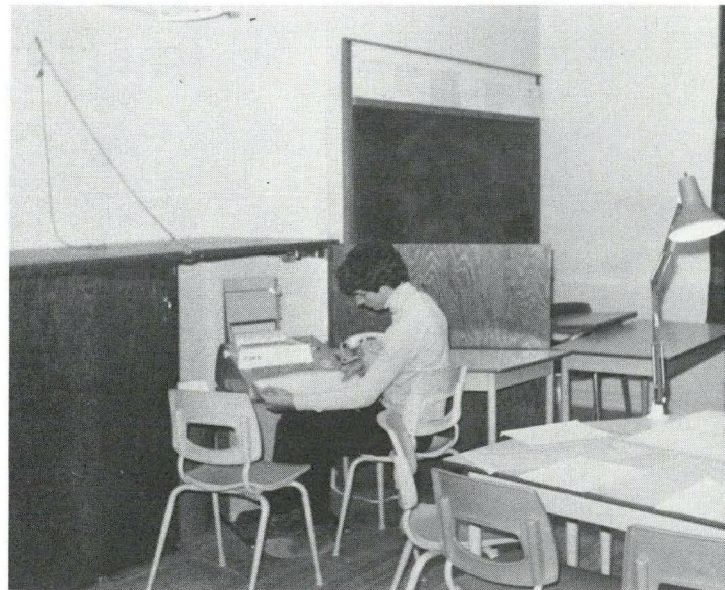

Here & There

Science Fair

The second Annual Stanstead College Science Fair was held in the Science Labs on Friday, May 30th. Seventeen anxious and eager participants awaited the judgement of their exhibits, reigning in scope from nuclear energy to twin elliptic pendulums. The winners of the Banting Trophy were RICHARD MARTIN (centre right) - Lower School - with his collection of butterflies of the world, and JEAN BENOIT (top right) - Senior School - with his computer master mind game. Congratulations go to all who helped in making the fair a success.

THE DANCES

This year, as in the past, we have had two dances with the first one held on November 1st. The girls came from Sacred Heart, Trafalgar, and the Study, schools for girls in Montreal. They arrived at about four in the afternoon and we had until dinner time at six to get acquainted with one another. Then we had a fantastic supper in LeBaron Hall, after which we went to Pierce Hall and danced until eleven-thirty when our guests had to leave.

Our Carnival Dance took place this year at Valentines. The boys held their Carnival events during the morning; events such as egg toss, log throw, log saw, and tug-of-war. Most of the boys enjoyed themselves. In the afternoon at about one-thirty the girls arrived. They had a choice of going swimming, skating, or playing volleyball in the Gym. Supper was ready at six and the girls beautifully attired went up to the dining hall followed by the boys. At seven-thirty we all went to Pierce Hall to be entertained by "Eros" who played well. At eleven-thirty it was departure time for the girls. Both nights were enjoyed by all.

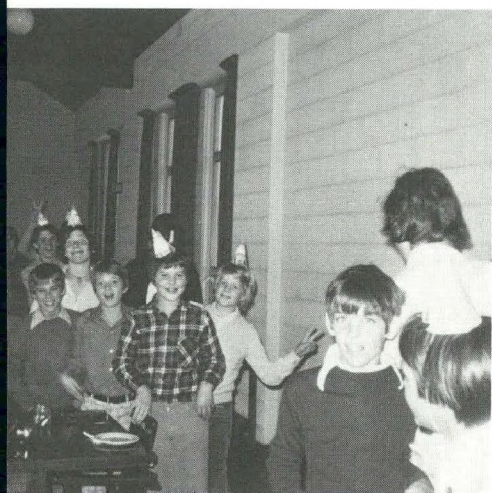

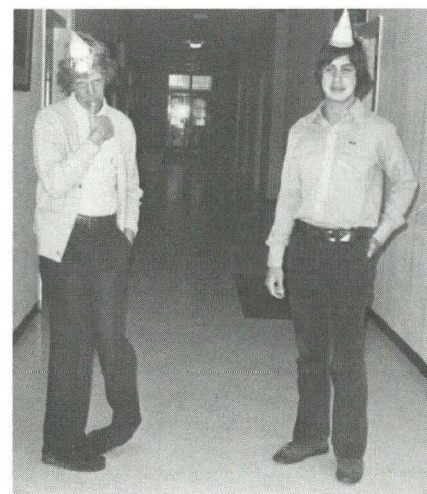

Carnival Queen Loraine Dearstyne presents one of the prizes to Peter Carpentieri.

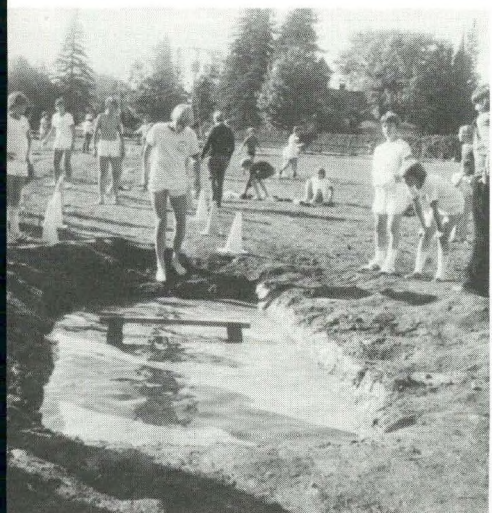

Tug-of-war (above) and a cross-country ski run form some of the fun.

NEW BOYS' DAY

This year instead of having a new-boys' race as in the past, the school organized a whole day deemed "New Boys' Day". All day long the newcomers wore their "newboy hats" which resembled dunce caps. The race itself was replaced by an all campus race in which all took part with a spectacular mud pit finish for the newboys.

Activities

What We Are

By Edwardo Hermosillo

A long time ago a rich man lived in the land of "Allbeautyfull"; even though he lived in this land, he wasn't very happy.

He could give people what they asked for, but still he felt deep inside that there was something missing within him; he owned the biggest palm tree in the area and was the most powerful of all "Allbeautyfullans", but still he looked for what was missing.

One evening while all the people from the city were sitting in the main temple, talking and telling their friends how much they had and how better their things were from others, a stranger came in and everybody kept silent. He was dressed in rags and had no shoes or sandals on. Suddenly he asked for a cup of the wine which everybody was drinking. Everybody started screaming and throwing things at him; nobody gave him anything. Suddenly John, the rich man, stood up and told everyone to stop the riot and keep eating and drinking. As everybody started to drink they noticed that their wine was sour and very bitter; but they didn't tell this to their friends.

John, still watching this man who was lying on the floor, thought about him since he had never seen a poor man. He told his guards to pick him up and bring him over to his table.

As the man awoke, John poured some wine in a cup; he tasted it and his too was bitter. He talked with the man and asked where he had come from. The man told him stories about an incredible man and his teachings.

This poor man had a ring made out of a stone which John had always looked for but never found; this was the only belonging of the man in rags. The poor man noticed John looking at the ring so he gave it to him. John was stunned and so were the rest of the people. Someone giving something so beautiful to someone else? ! Especially his last belonging; this seemed impossible.

Suddenly John knew what this man was and he cried with happiness and rejoiced. He once more took his cup of wine, drank from it, and gave some to the man. This time the wine tasted sweet and mild.

The above story won for Edwardo 1st prize in the "Spectrum's" Literary Contest. He is a Secondary Three student in the Lower School and hails from Mexico.

keep the promises they've
made to themselves.**

We help by offering services for any banking need. And we're especially pleased to be sponsors of the Junior Olympics Programme.

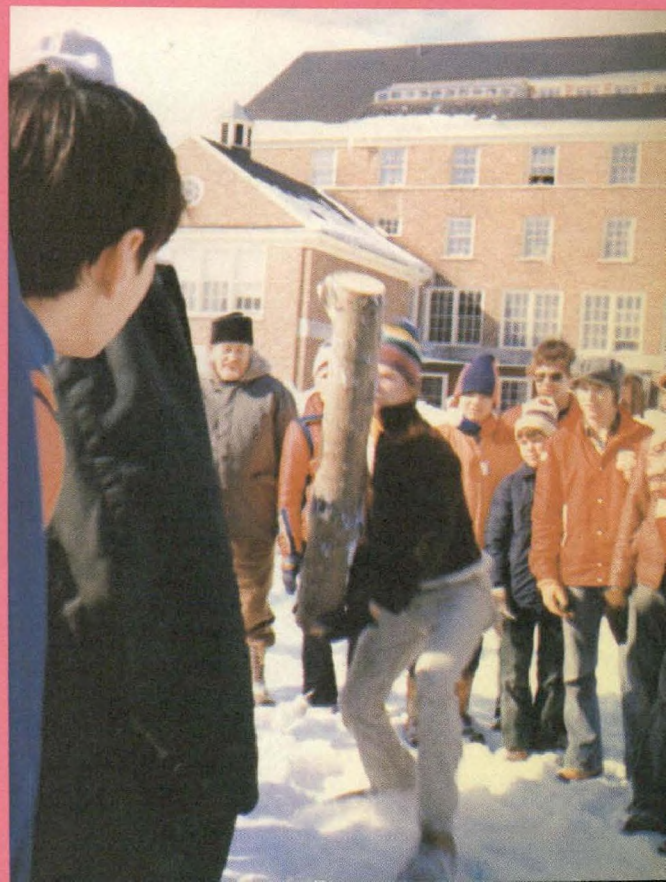

ROYAL BANK
the helpful bank

Rock Island, Quebec

As we come to the end I would like to thank all those who wrote articles or helped in any way to produce this year's Spectrum. Though some prodding was needed to motivate some, I think we've all done a pretty good job. Special thanks goes to our Advertisers and Patrons without whose help our undertaking would not have been possible.

Charlie Hodgson,
Editor.
